

TOWN ELECTION: We are scheduled to have a Town Election on Saturday, March 25, 2017 to select the officers for the town. We are seeking candidates for the offices of Mayor, Treasurer and Secretary. These are NON-Paying positions. We currently have three council members, who will remain in office till 2019.

To qualify for office, candidates must be at least 21 years old and have been a land or home owner, residing in the town for at least six months prior to the day of election. No person shall run for more than one position. The person vying for Treasurer must be able to be bonded, the cost of which will be covered by the town.

The term of office for Mayor shall be for one year and the terms of the other officers is for two years, or until their successors are duly chosen and qualified.

Officers and council members are required to attend town meetings and council meetings when they are scheduled. The importance of completing some of our projects may necessitate the council meeting more frequently than once a month. Town meetings normally are every other month, when we have items that need to be addressed to town residents.

To file for any position as a town officer, please mail a letter to Mike Warren or Brenda Richards at PO Box 211, Woodside, DE 19980 BEFORE March 3, 2017.
